"This program was amazing, from being able to get hands on with the different horses to being able to travel around Scotland any chance we could. The fitness class was a really interesting class that I couldn't have gotten anywhere else."

Emily, University of Missouri, Equine 2018

"I loved that this program offered opportunities to not only learn new subjects but to also experience a different culture. All of the tutors here were informative, fun, and helpful. I loved being able to ride in addition to our scheduled class time."

Lauren, Colorado State University, Equine 2018
